Mr. G. M. D. Grigsby,

Jefferson, Texas.

Dear Sir:

Your application to the County Surveyer of Harris County, covering the survey of a tract of land under the act of 1900, together with the field notes rendered in accordance therewith, calling for Survey No. ~~16~~ 20, Blk , 6.4 acres, has been received, examined and not approved, for the following reasons:

Inasmuch as survey 10 H&TC Ry. original and corrected field notes, has open calls for the corresponding lines and corners of the Phillips Thompson (the Thompson has no natural or artificial objects called for at said corners) there can be no vacancy admitted for this survey. Said survey 10 H&TC Ry. would take any excess intervening by reason of its calls in corrected field notes.

When corresponding with this office in regard to the matter hereto, please refer to School File No. 5852-Harris county.

Very respectfully,

Ewing.
